

Graduation Project

Important Tips for Rising Juniors

1. Visit the CMS Service Learning Website to see topic ideas and service/learning opportunities. Your topic must lend itself to a service/learning experience.
2. Enter 11th grade knowing what issue you'd like to write about, what your position on that issue is, and what you could do for a service/learning opportunity.
3. Look at pages 15 and 27 of the graduation project manual to see what the paper requirements are.
4. Start gathering articles, books, documentaries on your topic of interest.

Important Tips for Rising Seniors

1. Consult page 39 and 40 to see the service/learning experience guidelines.
2. Visit the links below to see what service opportunities are already set-up for CMS and Hopewell students.
3. Have a resume and a letter to the review board prepared when you enter 12th grade. The letter to the review board guidelines are on page 60 of the Graduation Project manual.
4. Create a log and document the time spend on experiences related to your chosen topic. A sample log can be found on page 45 of the graduation project manual.
5. Reflect on the service learning experiences you've participated in throughout high school.
